Wedding Policies

Congratulations on your engagement and upcoming wedding! Here is all the information about about having your wedding at Fairview Presbyterian Church. If you are interested in also having your reception at the church, you will need to request separate information about banquet hall rental.

Sanctuary

- Weddings of up to 200 can be performed in the church sanctuary
- Very small weddings (up to 40 people) may be held in a small informal chapel upstairs
- Any decorations must not use tape or staples to attach to furniture, or otherwise damage the sanctuary

Aisle Runner

- We do not provide aisle runners for weddings
- If desired, runners are available from local florists and bridal shops

Wedding Candles

- The church has a unity candle candelabra that can be used
- We also have 2 floor standing decorative candelabras that hold 7 candles each

Bulletins

- If you choose to have a bulletin/program, the church can print them
- The program covers and all information for the program must be brought to the church at least one week prior to the wedding
- There is no cost for this service

Photographers

- The best wedding photographers are invisible during the service when the focus ought to be on the couple and the commitment they are making

Music

- The church organist is available for church weddings upon request.
- Outside organists can be invited to play, but you will need to consult with the pastor on this
- Other musicians and vocalists are welcome
- CDs are allowed, run by our sound booth technician

Wedding Coordinator

- The church has a wedding coordinator who is invaluable in helping the pastor run rehearsals and in making sure the wedding runs smoothly
- We use the wedding coordinator in all weddings where the wedding party includes more than a bride, groom, maid/matron of honor, and best man

Pastor

- The pastor is a certified pre-marital counselor and couples must meet with the pastor 3 times

Rehearsals

- Rehearsals are normally held the evening before the wedding
- Everyone participating in the wedding is asked to be there – including family or friends who might be doing readings, seating people, etc.

Dressing Rooms

- We have separate areas for the two sides of the wedding party to get ready
